1. Introduction to Hawaii Farm Bureau Federation and HFBF LLC Farmers’ Markets

The Hawaii Farm Bureau Federation (HFBF) was founded in 1948 and is the State’s largest non-profit general agriculture organization representing approximately 2,000 farm and ranch family members statewide. The Hawaii Farm Bureau Federation mission is to serve as Hawaii’s voice of agriculture to protect, advocate and advance the interests of our diverse agricultural community.

HFBF LLC, a wholly owned subsidiary of HFBF, is the owner-operator of farmers’ markets on Oahu, which distinguish themselves from other farmers’ markets by their emphasis and assurance to consumers that produce goods are Hawaii grown and that value-added products and foods use as many local ingredients as possible. HFBF LLC Farmers’ Markets support the general operations of HFBF.

The principal goal of the Farmers’ Markets is to support agriculture in Hawaii by providing a venue for farmers to sell Hawaii grown and produced products.

HFBF LLC Farmers’ Markets strive:

• To give growers and producers of Hawaii agricultural commodities and other farm-related products alternative marketing opportunities;
• To promote the sale of Hawaii grown farm products;
• To improve the variety, freshness, taste, and nutritional value of produce available in the local area;
• To provide an educational forum for consumers to learn the uses and benefits of locally grown and produced products;
• To enhance the quality of life in Hawaii by providing a community activity which fosters social gathering and interaction; and
• To preserve Hawaii’s unique agricultural heritage.

D. VENDOR BOOTH REQUIREMENTS
  
i. Booth Dimensions:
    A regular “booth” or is defined as one 10’ x 10’ tent plus the space left “behind” the booth only if there is a curb to the rear. At no time should any Vendor have to give up paid space to accommodate another. If a tent size is larger than 10’ x 10”, the Vendor shall pay for additional stall(s) accordingly (e.g. 13’ x 13’ tent – 2 paid stalls, 15’ x 15’ tent – 2 paid stalls, 20’ x 20’ tent – 2 paid stalls, 30’ x 10’ – 3 paid stalls, etc).

    • Stalls may be shared with the approval of HFBF LLC and proof of appropriate permits, licenses, and product approval.
    • Vendors sharing a booth must provide signage for consumers that identifies each Vendor and contact information.
    • Vendors may not sublet stall space to others.
    • If a Vendor relinquishes ownership of their business to another owner, the new owner must apply for admission as a new Vendor to the Market. (See page 5. b. Vendor Application and Selection Process).
    • All Vendors are required to clean up their stall following the close of the Market. Failure to do so shall result in a fee (equal to the amount of professional cleaner), and a written infraction and/or loss of future Vendor opportunities.
    • Overnight parking is prohibited.
    • All Vendors must provide emergency contact names and phone numbers to HFBF LLC and this information should be updated when necessary.

iii. Vehicles in Market Place:
    Vehicles parked behind their booths shall only be allowed to do so if they can fit within the allotted space, and not disrupt their tent set up location/misalign the tent fronts. v. Fees for Booth Rental:
Vendor fees are determined by classification in one of three categories based on the type of products sold and the producer of those products. HFBF LLC shall determine the classification of Vendors.

**Tier 1:** Farmers selling farm produce only. These farmers must represent the farm where produce is grown and can only sell Hawaii grown farm produce. Other locally grown produce may be sold and farm sources must be submitted to HFBF LLC. Names of farm sources must be displayed in the booth. Vendors cannot sell any value-added food products.

**Tier 2:** Farmers selling farm products and/or value-added products. These farmers must represent the farm where the products are grown and can sell Hawaii grown products and value-added products from other local sources. Value-added products include prepared food. Farm sources must be submitted to HFBF LLC. Names of farm sources must be displayed in the booth.

**Tier 3:** All non-farmers at the Market shall be classified in this group. Non-farmer Vendors are those who sell approved, prepared food or value-added farm products using locally grown ingredients whenever possible. Names of farm sources must be displayed in the booth.

All vehicles must be out of the Market area 30 minutes before Market opening. No vehicles are allowed in the Market area 30 minutes before Market opening. If Vendor arrives later than this, Vendor must carry items into the Market to set up. Vendors who leave the Market earlier under special circumstances cannot bring their vehicle into the Market area. A Vendor also may not stay longer than one hour following the close of a Market.

iii. Start of the Market:
   A horn blast or other indication (i.e. triangle, cow bell, On-Site Market Manager notification) shall signal the start of the Market. No selling shall be allowed before the market start signal.

iv. Equipment and Fire Extinguishers:
   Vendors must provide their own tables, tents, and equipment necessary for their individual businesses. Tents should fit within the space allotted (subject to permitted overhangs as previously described in booth space section) and must be set up with appropriate weights on each post to keep tents stable in the wind. Vendors serving food shall be responsible for their own equipment as well.

   At minimum, each Vendor shall provide one fire extinguisher with a minimum rating of 2A-10B: C in booth. Whenever deep-fry cooking and/or grease laden vapors are produced,
the Vendor shall have a fire extinguisher with a minimum of 40B: C or Class K as required by the Honolulu Fire Department.

v. Scales:
Purchases based on produce weights must be weighted on a certified scale. Vendors using scales must have them calibrated and registered with the State Department of Agriculture. Appropriate documentation should be with the Vendor on site at the Market and available upon request by HFBF LLC.

vi. Signage:

Pricing of goods sold at the Market is solely the responsibility of the individual Vendor.

viii. Cash Transactions:
Vendors with more than 10 cash transactions per day are required by the Department of Taxation to have a documented record system and must offer a receipt or other record of transaction. From time to time, the Hawaii State Department of Taxation may approach Vendors at the Market for verification of receipts from cash transactions of the Vendor's documented record system.

ix. Vendor Payment of Taxes:
All Vendors must report all income received to the appropriate taxation authorities and pay all applicable taxes, including but not limited to general excise, state and federal income taxes, municipal taxes, etc. Vendor further represents and warrants it shall indemnify and hold harmless HFBF LLC for any failure to pay with applicable taxes. Vendors must follow all Hawaii State, County, and Federal tax laws. Any tax violations may lead to cancellation of Vendor participation at the Market. Upon remedy of the violation, the Vendor may be considered for the return to the Market upon availability of booth space.

x. Clean up and Exit:
Vendors may not begin takedown until the Market's official closing time. Vendors may not leave early due to weather, lack of business, selling out of products, or any other issue unless approved by HFBF LLC.

xi. Removal of Trash:
Vendors are responsible for maintaining cleanliness in their booth and immediate surrounding area. Vendor shall provide a small trash can for refuse when samples are provided. Each Vendor is responsible for their own trash and must take their trash home with them instead of filling the Market trash cans and dumpsters, according to the Market's agreement with the landlords.

xii. Removal of Cooking Oil:
Vendors must take discarded oil and grease with them. No oil of any kind can get on the ground, sidewalk, or other areas in the Market locations. All Food Vendors must use a ground covering under any cooking (e.g. cardboard). Any violators shall be responsible for costs incurred for cleaning by HFBF LLC.
F. PREPARED AND PROCESSED FOOD VENDOR REQUIREMENTS

In addition to the business documents listed above, Vendors cooking and serving food, including farmers who are sampling their products to customers, must adhere to all State of Hawaii Department of Health (DOH) Title 11, Hawaii Administrative Rules, Chapter 12, Food Establishment Sanitation regulations and must prepare their foods in a certified commercial kitchen. Food Vendors must also have the following:

i. Special Events Food Establishment Permit:
   Special Events Food Establishment Permit obtained from the Sanitation Branch of the DOH, per the Department of Health (DOH) Title 11, Hawaii Administrative Rules, Chapter 12, Food Establishment Sanitation. Vendors are responsible for maintaining a current permit for each market of participation. A copy of the current permit must be submitted to HFBF LLC. Vendors shall be prohibited from participating if the sanitation permit is not issued or current. Please have a copy of your permit or waiver with you at the Market, as periodic inspections by the DOH Sanitation Branch will ask to see permit.

ii. Food Handlers Certification:
   A new mandate from the Sanitation Branch of the Department of Health (DOH) effective September 2018, requires a Food Handlers Education Certification for at least one employee present at every food establishment during normal market hours. Go to the following link for more certification information: http://health.hawaii.gov/san/food-safety-education/. The Certification is a free of charge and is valid for 3 years from the date of successful completion. A copy of the Certification must be submitted to HFBF LLC.

iii. Hand Washing Stations:
   Food Vendors are required to have their own hand washing stations within their booth pursuant to Department of Health (DOH) Title 11, Hawaii Administrative Rules, Chapter 12-66, Food Establishment Sanitation. It could be as simple as a cooler with a hands-free spigot, receptacle for catching water, paper towels and antibacterial soap.

iv. Fire Extinguishers:
   Food Vendors cooking on premise must have a fire extinguisher with them. Whenever deep-fry cooking and/or grease laden vapors are produced, the Vendor shall have a fire extinguisher with a minimum of 40B: C or Class K as required by the Honolulu Fire Department.

v. Grills and Cooking Equipment:
   Food Vendors may use propane fired grills and cooking equipment and follow standard safety practices as required by the Honolulu Fire Department. Charcoal grills are not allowed. At minimum, each Vendor shall provide one fire extinguisher with a minimum rating of 2A-10B: C in the booth. Whenever deep-fry cooking and/or grease laden vapors are produced, the Vendor shall have a fire extinguisher with a minimum of 40B: C or Class K as required by the Honolulu Fire Department.

vi. Centers for Disease Control Recommendations:
   The Centers for Disease Control and the Food and Drug Administration strongly recommend three barriers when handling ready-to-eat foods: (i) ensuring that no food handlers are ill, (ii) promoting effective hand washing by food handlers, and (iii) avoiding bare hand contact with ready-to-eat foods.

vii. Violation to Department of Health Requirements:
   Any Department of Health violations may lead to cancellation of Vendor participation at the Markets. Upon remedy of the violation, the Vendor may be considered for return to Market upon availability of space.
G. ATTENDANCE, ABSENCES, CANCELLATIONS AND DISCONTINUATION

i. Attendance:
Consistency and customer service are essential for the success of the Farmers’ Market. A Vendor who participates in the Farmers’ Market must make a 6-month commitment and be present at the Market each week of that 6-month period. Vendors must understand that the Farmers’ Market exists to support agriculture in Hawaii by providing a venue for farmers in the state of Hawaii to sell Hawaii grown and produced products and to promote HFBF’s message to “buy locally grown.” If the Vendor is unable to make this weekly commitment, it is required that a well-trained Manager be available to talk to customers about the Vendor’s farm, ranch and products. The Vendor of record must be present a minimum of once a month.

With prior approval from HFBF LLC, a Vendor may modify the monthly schedule. For example, once a month, every other week, the first and third week of each month, etc. It is required that the Vendor be present at the Farmers’ Market on their scheduled day.

An excused absence does not apply to these attendance requirements.

• Reduced Vendor Fee Due to Rainy Weather: Vendors are expected to participate in the Markets regardless of the potential for rain. HFBF LLC shall determine if a reduced Vendor fee of a reduced Vendor fee will be applied to billing.

ii. Absences:
A Vendor is allowed 2 excused absences per quarter (according to calendar year, i.e. January thru March). Absences need to be reported to the Farmers’ Market General Manager with at least 24-hour notice to be considered an excused absence with no penalty. All excused absences shall be granted at the discretion of HFBF LLC.

An unexcused absence occurs when a Vendor does not show up for the Market on the scheduled day with no prior notification to the HFBF LLC or gives less than 24-hour notice of absence. This “no show” is very disruptive to Market operations and has a negative impact on good customer relations. Absences with less than 24-hour notice may be considered an excused absence at the discretion of HFBF LLC. The penalty for an unexcused absence shall be the forfeiture of the fee for that day.

Should a Vendor have more than three (3) unexcused absences within a calendar year, the Vendor shall be advised that upon the fourth unexcused absence, they will incur a suspension/termination determined by HFBF LLC, forfeiting the booth and therefore, must reapply to HFBF LLC and be evaluated for return to the Market. The unexcused absences are a matter of permanent Vendor record.

In the event of an excused or unexcused absence, HFBF LLC may fill the vacant booth with a temporary Vendor from the current pool of eligible Vendors.

Excused absences for extended period of time shall be submitted to HFBF LLC. Excused absences of extended periods severely compromise the Farmers’ Market’s ability to provide a year around showcase for locally grown and locally manufactured products. HFBF LLC also recognizes that all current and former Vendors are important to the continued success of the Farmers’ Market. Therefore, the following policy shall be in effect for prolonged absences:
### Duration of Excused Absence | Return Rights to Current Booth | Return Rights to Farmers’ Market | Market Manager Action
--- | --- | --- | ---
1 week | Yes | Yes | May fill booth with a temporary Vendor from the existing pool of Vendors or a Vendor on a trial basis.
2 consecutive weeks | Yes | Yes | May fill booth with a temporary Vendor from the existing pool of Vendors or a Vendor on a trial basis that has the ability to sell similar produce or product as that of the excused Vendor.
3 consecutive weeks | Yes | Yes | May fill booth with a temporary Vendor from the existing pool of Vendors or a Vendor on a trial basis that has the ability to sell similar produce or product as that of the excused Vendor.
4 consecutive weeks | Yes | Yes | • May fill booth with a permanent Vendor from (1) the existing pool of Vendors, (2) the current temporary Vendor or (3) a new Vendor.
        | No | Yes | • The Vendor with the excused absence may return to the Farmers’ Market if booth space is available. If no booth space is available, the Vendor shall be placed on file.
5 consecutive weeks | No | Yes | May fill booth with a permanent Vendor from (1) the existing pool of Vendors, (2) the current temporary Vendor or (3) a new Vendor.

The Farmers’ Market is no different than a traditional retail establishment. The holiday months of October, November and December are especially critical in meeting the needs of our customers; they have come to expect the produce and food products that they have purchased during the past nine months. HFBF LLC shall not allow the credibility, consistency and quality of the Farmers’ Market to be adversely affected. A Vendor who chooses an excused absence during this 3-month period forfeits his return rights to the booth and to the Farmers’ Market. The Vendor must reapply to HFBF LLC as a new Vendor. The Vendor can retain the booth space with an advance payment of 50% of the current weekly space fee over the duration of the absence. HFBF LLC shall make the final decision on all matters involving excused and unexcused absences.

iii. Cancellations:
- Farmers’ Market Cancellation: If a circumstance arises where the Market needs to be cancelled, the Farmers’ Market General Manager shall announce a scheduled cancellation. Vendors shall be given the information as soon as it is available via text message and email notification. In the event of a Civil Defense, State or Federal alert for tsunami, hurricane, terrorist attack, war or a major life-threatening or property damaging disaster, the Farmers’ Markets shall be cancelled by HFBF LLC. Vendors will not be charged for a market cancelled by HFBF LLC.

- Rainy Weather Cancellation: Vendors are expected to participate in the Markets regardless of the potential for rain. Weather forecasting is not always accurate. Therefore, HFBF LLC shall assess the weather conditions on that day and cancel the Market if it is deemed hazardous to the Vendors and customers, damaging to merchandise and equipment or impacting business in a negative manner. Vendors will not be charged for a market cancelled by HFBF LLC.

iv. Discontinuation:
Vendors must give at least one month notice for a discontinuation of a Market. Failure to do so will jeopardize ability to participate in any current and future HFBF LLC Farmers’ Markets.

H. MARKET PLACE ENVIRONMENT

i. Creating a Professional, Friendly Market Experience:
